Vine age	25 years old
Type	Red
Aging potential	4 years / for immediate consumption
Quantity	No limit (75cl)

Winemaker's notes

We use a traditional vinification, with a thermoregulation method, allowing the best development of those grapes picked up at a full maturity as well. A fruity wine with a soft attack, really round and well balanced. This wine is supple and easy to drink. The delicate tannins give you a nice length at the finish.

Concerned about environmental issues and sustainable development standards, Chateau Rousset Caillau member of the first association for the environmental management system Bordeaux wine ISO 14001
